#### Fast facts

- SRS is an early offer scheme – you could receive an offer before ATARs are released.
- Most institutions make offers which use criteria other than your ATAR.
- An SRS application is free – you just need to apply through UAC for undergraduate admission in 2015–16 before you apply for SRS.

What are Schools Recommendation Schemes?

Schools Recommendation Schemes (SRS) are one way institutions make early offers to current Australian Year 12 students who have applied for undergraduate admission through UAC.

SRS are used by institutions to make offers of undergraduate admission using criteria other than (or in addition to) ATARs. These criteria may include school recommendations, senior secondary studies and personal awards and achievements. Institutions have their own policies on determining SRS eligibility and making offers. These may include:

- making early offers based solely on SRS criteria
- making offers based on both SRS criteria and ATAR (or equivalent)
- making offers based on SRS criteria and ATAR (or equivalent) and equity criteria.

SRS criteria

Participating institutions may take one or more of the following criteria into account when considering applicants for SRS offers:

- your school’s rating of your abilities in areas of study
- your school’s rating of your aptitudes
- your Year 11 studies
- your awards
- your achievements.

See pages 8–18 for details of which criteria are used by participating institutions.

Who can apply

SRS is open to:

All Year 12 applicants who are attempting:

- an Australian Year 12 qualification in 2015, or
- an International Baccalaureate in Australia in 2015 and are:

- UAC applicants for undergraduate admission in 2015-16
- an Australian or New Zealand citizen
- a permanent resident of Australia or holder of an Australian permanent resident humanitarian visa.

How SRS works

SRS works as follows:

- students complete a simple online SRS application
- schools provide their assessment of a student’s ability via a separate online rating process
- institutions consider applications
- SRS conditional and unconditional offers may be made to the first preference you have listed in your UAC application for undergraduate admission as at midnight on Monday 30 November 2015.

Individual schemes can be found in the SRS institution criteria tables on pages 8–18. Visit www.uac.edu.au/srs/ for more information on SRS.

Participating institutions

The following 10 institutions will be participating in SRS in 2015–16:

- Australian National University
- Charles Sturt University
- Griffith University
- Macquarie University
- National Art School
- University of Canberra
- University of New England
- University of Newcastle
- University of Technology Sydney
- University of Western Sydney.

**Applying for SRS**

**Apply using SRS Apply**

After you have applied through UAC for undergraduate admission, you can apply online for SRS via the UAC website using your UAC application number and UAC PIN.

Your UAC PIN and application number

Your UAC Personal Identification Number (PIN) has four digits. You will need your UAC PIN to apply for SRS, to use SRS Check & Change and to check your offer.

Your UAC application number is issued when you apply. Your Confirmation of Application will also include your UAC application number. Keep this document handy – it is important to keep a record of your UAC application number.

If you have forgotten or lost your UAC PIN or application number, visit UAC’s website at www.uac.edu.au/undergraduate/faq/uac-pin.shtml for further information.

You can only submit one SRS application.

When do I apply?

SRS Apply opens on Wednesday 5 August 2015 – the same time as UAC applications for undergraduate admission.

Where do I apply?

Visit www.uac.edu.au/srs/ and select SRS Apply on the right-hand side of the page to start your application.

When do SRS applications close?

SRS applications close at midnight on Wednesday 30 September 2015. After that time, SRS Apply will not be accessible.

How much does it cost to apply?

There is no separate charge to apply for SRS.

If you have a disability

If you have a disability and are having problems with the UAC application process, contact us. You can call 1300 ASK UAC (1300 275 822) or from mobiles on (02) 9752 0200 between 8.30am and 4.30pm (Sydney time) Monday to Friday, email us using the enquiry form at www.uac.edu.au/enquiry/, or write to the Equity Unit, UAC, Locked Bag 112, Silverwater NSW 2128, Australia. We will help you with your application.

Applicant information

Your Year 11 studies

Your Year 11 studies and results are used by a number of universities as one of the assessment criteria for making SRS offers.

If you undertook your Year 11 studies in the NSW school system, you don’t have to provide results of your Year 11 studies with your SRS application. UAC will obtain your Year 11 Record of School Achievement (RoSA) results directly from the Board of Studies, Teaching and Educational Standards.

If you undertook your Year 11 studies at a school or college in any other State or territory, or overseas, you will need to enter details of your Year 11 studies and upload a PDF of your Year 11 school report (see page 4 for details on uploading documents).

Your personal awards and achievements

You may enter details of up to three of your best awards or achievements, undertaken during Years 11 or 12. This means you can enter any combination of awards and achievements, as long as the combined total is three or less.

Charles Sturt University, Griffith University, National Art School, University of New England, University of Newcastle and University of Western Sydney will consider your personal awards and/or achievements as one of the assessment criteria for making SRS offers.

However, it is not necessary to enter any awards or achievements in order to apply for SRS as many universities do not take them into consideration when making SRS offers.

You can upload PDF evidence of your awards and achievements during the application or via SRS Check & Change after you have applied (see page 4).

The evidence of your awards and achievements must be easy to read and provided by an independent source. Documents from friends, family members or from sources that can’t be checked will not be assessed.

Additionally, you will have the option to provide a link to an external website, such as a video or photo hosting site, to provide supporting evidence for any achievement/s you add to your application.

Awards

Awards are defined as ‘those accomplishments that are publicly recognised for the accreditation that is provided by the organisation upon successful completion’.

Awards obtained in Australia

You can choose your award from the list below. If your award is not listed, you can enter it as an achievement (see below).

- Armed Forces – Cadets – Air Force
- Armed Forces – Cadets – Army
- Armed Forces – Cadets – Navy
- Bushcraft/Outdoor – Guides Australia
- Bushcraft/Outdoor – Scouts Australia
- Bushcraft/Outdoor – Duke of Edinburgh Award
- Community – NSW Rural Fire Service
- Community – Premiers Student Volunteering Award
- Dance – Royal Academy of Dance – Graded Examinations
- Dance – Royal Academy of Dance – Presentation Classes
- Dance – Royal Academy of Dance – Vocational Graded Examinations
Awards obtained overseas are organised into eight categories.

- Armed Forces
- Bushcraft/Outdoors
- Community Service
- Dance
- First Aid/Rescue
- Languages
- Music
- Sporting

Achievements

Achievements are defined as ‘those accomplishments which do not necessarily come with a recognised certificate’. Achievements are organised into seven categories. Evidence of your achievements must be easy to read and provided by an independent source. Documents from friends, family members or from sources that can’t be checked will not be assessed.

Uploading documents

You need to upload a supporting document for each award or achievement you provide, as well as your Year 11 reports if you undertook your Year 11 studies outside of the NSW school system. Any school reports, awards or achievements which are not supported by documentary evidence may not be considered by institutions as part of your SRS application.

You can upload supporting documents during your application or after you have applied using SRS Check & Change.

You can upload one supporting document for each school report, award or achievement you provide. Uploaded documents can’t be edited or deleted but can be replaced up to three times.

To upload supporting documents, click the upload icon next to each school report, award or achievement you have provided.

Each supporting document must be a PDF smaller than 5MB.

If your document is not a PDF, you need to convert it using either:

- UAC’s document conversion service – attach the document file to an email addressed to conv2pdf@uac.edu.au. For each attached file you’ll
receive an email back within a few minutes containing a converted PDF

or

■ one of the many document conversion packages available on the web.

**Important note for Mac users**

If you are using an Apple Mac to upload your supporting documents, do not use OSX’s built-in PDF software. Documents saved using this software and uploaded to UAC will not be viewable.

To add or replace an uploaded document, use the same file selection process.

**Your application summary**

After you have entered any achievements, you will be directed to an ‘Application summary’ which contains details of your application.

Review your application carefully. You are able to edit your awards and achievements using the edit buttons.

If you undertook your Year 11 studies in the NSW school system, you will not see your Year 11 studies in the summary.

**Declaration and authority**

At the end of the application, you are required to view a ‘Declaration and authority’ linked to UAC’s website, accept it and submit your application. The declaration is reproduced on page 7.

**SRS confirmation package**

After you submit your application, you will be directed to a page confirming that you have successfully applied. Here, you will also be able to download your ‘SRS confirmation package’.

Your ‘SRS confirmation package’ is a PDF containing a full record of your application and instructions on uploading any outstanding supporting documents through SRS Check & Change, if necessary.

**School participation**

Your school provides their assessment of your ability in areas of study and aptitude via an online rating process (read ‘School ratings’ on page 6).

**School registration**

UAC has invited all secondary schools in Australia to register to participate in SRS.

If your school has not registered when you apply, you will see a message on the ‘School participation’ page to let you know that UAC has invited your school to register, but your school has not yet responded. UAC will then contact your school again.

SRS participation by your school is optional and while UAC invites schools to participate, UAC cannot guarantee that your school will provide ratings for your application.

---

**After you apply**

**SRS Check & Change**

SRS Check & Change allows you to:

■ access your ‘Application summary’

■ edit or add Year 11 studies, awards and achievements

■ upload or replace supporting documents

■ download a copy of your ‘SRS confirmation package’.

To access SRS Check & Change, you will need your UAC PIN and application number (see page 3).

Visit www.uac.edu.au/srs/ and select the SRS Check & Change button on the right-hand side of the page.

You will be unable to delete any Year 11 studies or awards and achievements you entered in your application. You will be able to add studies, awards and achievements and upload supporting documents for these.

If you undertook your Year 11 studies in the NSW school system, you will not see your Year 11 studies in SRS Check & Change.

If you undertook your Year 11 studies at a school or college in any other State or territory, or overseas, and you have entered your Year 11 studies manually, you will see your Year 11 studies.

You must upload any supporting documents to SRS Check & Change by midnight on Wednesday 30 September 2015. SRS Check & Change will not be accessible after that time.

All supporting documents must be uploaded. Do not post or deliver documents to UAC.

Any Year 11 studies/awards/achievements which are not supported by independent documentary evidence may not be assessed and may not be considered by institutions as part of your SRS application.

**Viewing correspondence from UAC**

UAC will send you an email message when you have correspondence about your SRS application. When you receive an alert email from UAC, go to undergraduate Check & Change to view the correspondence, and take appropriate action. We also recommend that you go to undergraduate Check & Change regularly to check for new correspondence.

Some email accounts might send emails from UAC to your junk folder. Add the domain uac.edu.au to your list of safe email contacts to stop this from happening. It is your responsibility to check your emails regularly (including your junk emails) for any messages from UAC.

**Withdrawing your application**

You can withdraw your SRS application by writing to UAC, Locked Bag 112, Silverwater NSW 2128, Australia.
School ratings
Once you’ve submitted your application, it will be available to your school to provide their professional assessment of your ability in two categories: areas of study and aptitude.

Areas of study
Your school will rate you in 10 areas of study, which are split into two sub-groups:

Performance in Year 12
Schools will rate you according to their assessment of your performance in the subjects below.
- Agriculture
- Creative Arts English/ Humanities/Social Sciences
- Languages
- Mathematics
- Science
- Technology.

Suitability for tertiary study
Schools will rate you according to their assessment of your ability to undertake tertiary study in one of the fields below.
- Commerce
- Education
- Health.

Aptitude
Schools will rate you according to their assessment of the following 5 aptitudes:
- Capacity for abstract thought and analysis
- Ability to organise ideas and articulate a position orally and in written form
- Ability to work and learn independently
- Motivation to achieve long-term goals
- Capacity for tertiary study.

Institution criteria
While UAC co-ordinates the SRS process, it is the individual participating institutions, not UAC, who decide who receives an offer.

Each institution has its own policies on how its individual SRS scheme will work.

Individual institutions have their own requirements about which applicants they will consider or prioritise for SRS offers. For example, you may also have to submit an Educational Access Schemes (EAS) application, or attend a school in a particular region.

Full details of each institution’s scheme are set out in the SRS institution criteria tables on pages 8–18.

Courses available
Not all courses at individual institutions will be available through SRS. See ‘Courses available’ in the Institution criteria tables on pages 8–18 for further information.

Minimum ATAR/course prerequisites/additional selection criteria
You may also need to meet other requirements set by each institution. These requirements may include:
- a minimum ATAR
- course prerequisites/additional selection criteria (for example, a personal statement, questionnaire, portfolio of work, audition, interview or test). Refer to the Institution criteria tables on pages 8–18 for further information.

How institutions consider your application
After your school has completed your ratings, your application will be processed by UAC and then considered by participating institutions.

Participating institutions can take a variety of information into account when considering your application, including:
- your Year 11 studies
- your awards
- your achievements
- your school’s rating of your abilities in areas of study
- your school’s rating of your aptitudes
- your EAS application (if applicable).

For further information about what each participating institution will take into account when considering your application, refer to the Institution criteria tables on pages 8–18.

Pre-offer advice letters
At the end of November, some institutions will contact you directly via a ‘Pre-offer advice letter’ to notify you of the status of your SRS application for your course preferences.

Not all institutions will issue pre-offer advice letters, so you may not receive pre-offer advice for some or all of your course preferences.

Offers
Receiving an offer through SRS
You must have the course for which you would like to be made an SRS offer listed as your first preference at midnight on Monday 30 November 2015.

Your first preference must be to an institution which is participating in SRS and for a course which is available through SRS.
SRS offers will be made via UAC on Thursday 3 December 2015. You’ll need your UAC application number and UAC PIN to access your offer.

**Types of offer**

There are two types of offer available under SRS. Successful applicants will receive either:

- unconditional SRS offers
- conditional SRS offers.

See the ‘Offers’ section in the Institution criteria tables on pages 8–18 to find out how individual institutions will make SRS offers.

**Unconditional SRS offers**

You’ll receive an email to let you know that you’ve received an offer. You can then access your offer through the ‘Check your offers’ button on UAC’s website and through undergraduate Check & Change.

If you receive an unconditional offer letter, there are no further requirements for you to meet. Follow the instructions set out in your offer letter. You must accept your offer by the date specified by the institution, otherwise you may lose your offer.

**Conditional SRS offers**

If you are made a conditional offer, you’ll receive an email to let you know that you have correspondence from UAC. You can then access your Conditional Offer Advice Letter through undergraduate Check & Change.

If you receive a Conditional Offer Advice Letter, you will need to meet requirements set out by the participating institution, such as a minimum ATAR.

If you meet the institution’s requirements, and you still have the course as your first preference at midnight on Saturday 2 January 2016, you will be made an unconditional offer through UAC in January Round 1 on Tuesday 5 January 2016.

If you receive a Conditional Offer Advice Letter and then change your course preferences before Saturday 2 January 2016, so that the course to which you have been made a conditional SRS offer is no longer your first preference, you may lose that offer. You will then enter the Main Round on Wednesday 20 January 2016 and may receive another offer.

**Receiving further offers**

If you have accepted an SRS offer, you are able to receive further offers in the next offer round, but not to the same course for which your SRS offer has been made.

If you’d like to be considered for other courses, you need to accept your SRS offer and then remove it as your first preference through undergraduate Check & Change. You then need to put your new preferred course as your first preference.

If you do not change your preferences, you won’t be considered in subsequent offer rounds.

---

6. I understand that UAC and the participating institutions have the right to vary or cancel an application or enrolment made on the basis of what UAC or a participating institution determines to be untrue or incomplete information from any source.
7. I understand that UAC, on behalf of the participating institutions, makes offers based on the information provided by me and on advice received from UAC. If a participating institution subsequently finds that the information or advice was incorrect, it may withdraw the offer.

Proportions (Time based forms)

But could something so extreme, beautiful and precise as our universe be nothing but the product of a mere accident? My work wrestles with these ideas.’ Harrison Heycott
